- Service

ABOUT ME

- Global Perspective
- Strong Learning Ability
- Empathetic
- Independent Ability
- Strong Adaptability

KEY HIGHLIGHTS

- Completed 3-month full-time summer job in the United States (J-1 visa), averaging 65–70 hours/week
- Independently served international customers daily with zero errors under high pressure
- 9+ part-time roles in 4 years, consistently delivering measurable results in sales and team leadership
- Rapid learner: became trainer for new staff within 4 weeks in the U.S. role

WORK EXPERIENCE

Cashier , Target, Sturgeon Bay , Wisconsin , USA
June 2025 - September 2025

- Processed 300-500 transactions daily in a high-volume U.S. retail environment with 100% accuracy across multiple payment methods.
- Handled complex guest issues including returns, price adjustments, and Target Circle/RedCard promotions, resolving 95%+ cases on first contact.
- In my free time, I work part-time as a line cook at a nearby restaurant to gain as much experience as possible. So overall, I end up working around 70 hours a week.

Private Teaching, Teaching Institution, Weifang, Shandong , China
March 2024 - July 2024

I go to students' homes to tutor them in math and English. This job has really helped me build patience, get better at connecting with people, and gain a much deeper understanding of English.

Delivery, Ele.me, Shanghai
July 2023 - September 2023

My job involves delivering meals from the restaurant right to customers' homes. Under the scorching sun, this work has really built up my physical strength and willpower, and it's taught me how to stick with things no matter what.

EDUCATION

Bachelor of Engineering, Weifang University, Shandong, China
September 2021 - June 2025

Relevant Coursework: Artificial Intelligence Fundamentals, Circuits, Physics, Advanced Mathematics, Python, Single-chip Microcomputer and so on ...
